

WEEK 7 (May 25 - May 29) - Literacy and Numeracy

Here is the schedule of learning opportunities for literacy and numeracy this week. Please supplement these tasks as needed with other subjects (lots on my website), inquiry, and games (online or physical). These tasks are posted on my website and Google Classroom. Remember this is a menu, choose what you're able to do and submit evidence of learning as documents or pictures through Google Classroom, my website (<https://klesowski.weebly.com/>), or email me at klesowski@sd61learn.ca.

Monday 11:00am Zoom meeting: <https://bit.ly/3b50Vde>

Thursday 1:00pm Zoom meeting: <https://bit.ly/2ypUVjW>

LITERACY	Reading	Daily Language	Writing Task	Spelling
MONDAY	At least 20 minutes	Week 21, Day 1	Free write OR What do you hope to accomplish in your personal life (not school related) before summer break starts? Write some goals to help keep you on track.	Cut out or write down your words and sort them. Check the YouTube and answer key (on website & GC) to make sure you're correct.
TUESDAY	At least 20 minutes	Week 21, Day 2	Free write OR Write a story about this picture: https://bit.ly/2zQN6jC	Speed sort your words and read them all out loud.
WEDNESDAY	At least 20 minutes	Week 21, Day 3	Free write OR Write a backwards story. Write the end of the story first, then the middle, then the beginning! Read it out loud. Does it sound silly?	Practice writing all your words, try not to look after first seeing what word to write.
THURSDAY	At least 20 minutes	Week 21, Day 4	Free write OR If you were stranded on a desert island and could only eat one type of food for the foreseeable future, what would it be and why? Write at least 5 sentences.	Have a family member test you on your words. Make sure you're spelling them correctly and putting them under the right heading.
FRIDAY	At least 20 minutes	Week 21, Day 5	Free write OR Write a Haiku about something you learned this week, or about something you saw in nature. Haiku = 3 lines (5 syllables, 7 syllables, 5 syllables)	Spelling test (audio for test on Google Classroom and website).

NUMERACY	Number of the Day	Daily Math	Math Task	Worksheet
MONDAY	6548	Week 21, Day 1	Create a repeating pattern using objects in your home. Leave some spaces in the pattern blank, and challenge a family member to complete it. Make it as challenging as you want!	Skip Counting 4
TUESDAY	5209	Week 21, Day 2	Pick 5 of your favorite snacks and drinks. Estimate how much they would cost in total. Then search their actual prices and add up the exact amount they would cost. Was your estimate close?	Rounding 3
WEDNESDAY	8964	Week 21, Day 3	One way to think of line symmetry is when something can be "folded" in half and is the same on both sides. Find at least five examples of line symmetry in your home or neighbourhood. You might find line symmetry in art, plants, furniture or buildings. Draw what you find and label the lines of symmetry. Do some things have more than one line of symmetry?	Money Word Problems 3
THURSDAY	2517	Week 21, Day 4	Pick your 3 favorite movies. Estimate how many hours it would take to watch all 3. Then search the actual movie lengths and add up the exact hours and minutes it would take to watch them altogether.	Telling Time 3
FRIDAY	3492	Week 21, Day 5 & brain stretch	Survey as many people as you are able to find out what their favourite pizza is. Make a graph to show your results.	Probability Spinner 3
